

**Business, Management & Legal**

# Credit Analysis & Management Free Information Session

Downtown LA—March 15, 10am-12pm

[uclaextension.edu/credit](http://uclaextension.edu/credit)

## Learn more about this exciting certificate through our FREE information session on March 15!

Learn about our Credit Analysis and Management certificate and how to be at the forefront of this growing field through our free information session. Listen to a presentation by the Credit Management Association President and learn about new trends in the industry and future job growth.

Some advantages to being a credit analyst:

- Not limited to a particular type of company
- Can lead to higher career paths like investment banker, portfolio manager and loan and trust manager

The Credit Analysis and Management certificate can help you broaden your employment prospects in this growing field. Our certificate is 6-courses and can be completed in as little as 9 months.

### Hear from Special Guest Speakers!
